

A quilted grey pouch with a zipper is the central focus, resting on a green and brown marbled surface. The pouch features the text "MAHJONGG" on the top line and "MAVER" on the bottom line, both rendered in a sparkling, sequined font. Behind the pouch, a wooden tray with yellow and black stripes holds three avocados and a small, shallow, reddish-brown ceramic bowl containing one of the avocados. To the left, a white ceramic jar with a black floral pattern is partially visible. To the right, a clear glass pitcher with a green handle is also partially visible.
