Put this one on your calendar – Feb 9th, 6pm - Chili Cook-off, Squares and More.

[Logging in the Unit maintenance reports which were due by December 31](#)

Your 2024 inspection and servicing reports are being collated by the office right now. The office will be able to let you know by the week of January 27th if anything is missing. If you have not already, please forward your reports to [office@queenslanding.org](mailto:office@queenslanding.org) to avoid incurring violation fines.

If it seems like a quiet time in the community, don't be deceived. The Long Range Vision and Planning Committee is deep into evaluating proposals for the pool deck renovation. The Maintenance Committee is embarking on the installation of a new access control system, managing balcony/deck repairs and addressing windows/doors. The Social Committee is planning parties for the year.
